**THANK YOU THANK YOU THANK YOU THANK YOU THANK YOU THANK YOU**

On behalf of the entire Bikers For The Cure 2007 organizing committee, I want to extend our sincere thanks to you for sponsoring our 5<sup>th</sup> Annual Bikers For The Cure motorcycle ride this past Sunday – August 12, 2007.

Because of your generosity and the amazing support of the community and participants - -our organization experienced a record breaking year with over 1000 in attendance, and over \$30,000 in donations raised on event day alone.

Words can not express the Core Team of volunteer's sincere appreciation for all that you've done to support this cause. I know I speak for all of us when I say that this is very personal and our devotion to doing our part is unconditional and committed. Our ability to rely on endorsement and financial support from sponsors like you, make our goals attainable year after year.

Facilitating awareness, education and ultimately eradicating breast cancer is a must! Thank you for helping us do our part to benefit Susan G. Komen For The Cure. We hope we can once again call upon you and count on having you as a partner and sponsor again on August 10, 2008 – when we proudly host our 6<sup>th</sup> annual event.

Sincerely,

Laurie Hodges
